Little Bo peep fell fast asleep
And dreamt she heard them bleating,
But when she awoke, she found it a joke,
For they were all still fleeing.

Then up she took her little crook
Determined for to find them.
She found them indeed, but it made her heart bleed,
For they left their tails behind them.

It happened one day, as Bo peep did stray
Into a meadow hard by,
There she espied their tails side by side
All hung on a tree to dry.

She heaved a sigh, and wiped her eye,
And over the hillocks went rambling,
And tried what she could,
As a shepherdess should,
To tack again each to its lambkin.
