Oh where, oh where  
Has my little dog gone?  
Oh where, oh where can he be?  
With his ears cut short  
And his tail cut long  
Oh where, oh where can he be?  
I think he went down  
To the building site  
To see what he could see  
And in his mouth  
Was a globe so bright  
I wonder what could it be

Oh where, oh where  
Has my little dog gone?  
Oh where, oh where can he be?  
With his ears cut short  
And his tail cut long  
Oh where, oh where can he be?  
I last saw him by the bulldozer  
Playing and running around  
But I just can't see him there anymore  
He just can't seem to be found  
Perhaps the man over there will know  
He may have seen him go by  
Who knows where  
He might have decided to go  
But we've got to give it a try
