Oh Where, Oh Where, Has My Little Dog Gone www.franzdorfer.com

Oh where, oh where Has my little dog gone? Oh where, oh where can he be? With his ears cut short And his tail cut long Oh where, oh where can he be? I think he went down To the building site To see what he could see And in his mouth Was a globe so bright I wonder what could it be Oh where, oh where Has my little dog gone? Oh where, oh where can he be? With his ears cut short And his tail cut long Oh where, oh where can he be? I last saw him by the bulldozer Playing and running around But I just can't see him there anymore He just can't seem to be found Perhaps the man over there will know He may have seen him go by Who knows where He might have decided to go But we've got to give it a try
